Bordeaux Supérieur

Initial aromas of earth and mushrooms are followed by vanilla and cinnamon. Tannins are ripe and round with fantastic length and a touch of vanilla flavors. This is a medium-to-full body wine, great with hearty meat dishes, mushrooms and stronger cheeses.

Bordeaux Blanc

The powerful, elegant nose offers aromas of toasted nuts (hazelnut, almond), with a delicate hint of butter, and mineral and smoky notes. The gorgeous aftertaste is long on the palate with white and exotic fruit flavors, beautifully blended with woody notes.
