

Columbia Valley Merlot

Sourced from three primary areas across the Columbia Valley - all warm sites - the 2013 Merlot is a prime example of how delicious and yet approachable Washington Merlot can be. With a silky tannin profile, flavors of baking spice and dusty cocoa, with an underlying structure of toasted aromatics, this becomes an incredibly versatile wine.

Columbia Valley - Washington

Columbia Valley Riesling

Our infatuation with the Riesling grape at Revelry stems from an appreciation for the old world style produced in regions of Austria and Germany. In like fashion, our Riesling has incredible minerality and flavor - with a slight sweetness and yet enough acid to make it age worthy. Flavors of grapefruit, honeysuckle and lavender.

'The Reveler' 2012

'The Reveler' embodies a non-traditional approach to blending. Each vintage is uniquely its own, the only rules being the wine is comprised entirely of only the original Bordeaux varieties - Cabernet Sauvignon, Cabernet Franc, Merlot, Malbec, Petit Verdot - and each release is better than the last. 'The Reveler' is a rich and dynamic wine, with layer after layer of flavor.

Columbia Valley Chardonnay

The Chardonnay grape thrives in Washington's loam and sand soils - deposits left from the Missoula floods. Our Chardonnay fruit shows flavors that are both rich and developed, with hints of mineral and stone fruit. Stainless steel fermentation - no oak! - and incredibly crisp and clean.

Columbia Valley Cabernet Sauvignon

Washington State's Cabernet Sauvignon is distinctive for its deep red fruit qualities, defined tannin structure and developed balance. This wine is phenomenal for casual settings and cocktail parties where food is optional. It pairs well with just about anything, and though it is plentiful in body and flavor, it will not overwhelm your palate.
