Viticoltori dal 1607

pinot nero

This is great example of Italian Pinot Noir— aromatic, smooth and complex. This medium body wine is rich and intense with flavors of black cherries, plums, raspberries and white chocolate. Silky texture and a lingering finish, great on its own or with variety of foods, including salmon, pork and roast chicken.

pinot grigio

Not your typical Pinot Grigio! It is aromatic, refreshing and full of fruit flavors. Hints of melon, citrus and pineapple on the nose and palate. Finish is smooth and lingering with a touch of toasted almond and fresh acidity. This is a great summer sipper, enjoy well chilled as an aperitif or with pasta and fish dishes.
