Winemaking

Very traditional Champagne process followed by more than 10 years of aging on its lees.

Tasting note

Hints of white tobacco on the nose, with spicy, minty notes; preserved orange and a creaminess with roasted characteristics. A fantastic freshness on the palate with flavors of caramelised tropical fruit, lemon zest, a creaminess followed by a crisp finish. The aftertaste is delicate and toasty.

Awards

93 Points - Wine Enthusiast 2020
Gold - International Wine Challenge 2019
Gold - International Wine & Spirit Competition 2018
