

2019 APPELLATION SERIES

CHARDONNAY

SONOMA COAST / sonoma county

ARTIST: Hilary Williams

TASTING NOTES

Another gift from the extraordinary 2018 vintage, we think you'll be hard pressed to find another chard with this much flavor and poise at such an approachable price.

At the heart of every excellent bottling is the vineyard source and while this one must remain a secret, you can tell the quality is top notch from the first sip. The interplay between fruit/acid/oak is spot on and precisely balanced.
