

2018 APPELLATION SERIES

PINOT NOIR

RUSSIAN RIVER VALLEY / sonoma county

ARTIST: Hilary Williams

TASTING NOTES

Another slam dunk, easy to love and killer value, this time from the Russian River Valley.

A bit more voluptuous and sweetly spiced than the Sonoma Coast bottling it replaces, we think you'll be immediately impressed by how much character we've been able to stuff inside for such a modest price.

While fruity and ready to please right away, as usual, you'll see even greater dividends by cellaring this little gem for a bit if you can, so hang on to a few bottles for enjoyment over the next several years.

STATS

100% Sustainably Farmed Pinot Noir
pH: 3.5 | TA: 6.4 g/L | Alcohol: 14.2%
Cases Produced: 709
