

2019 APPELLATION SERIES

SAUVIGNON BLANC

SONOMA COAST / sonoma county

ARTIST: Hilary Williams

TASTING NOTES

A delightful, somewhat racier version of our ever popular Cuvée Renee SB. Still dominated by graperfruit and tropical notes from the mighty Musqué clone, this version is a bit lighter in body and crisper on the finish. Trust us, you'll want a case to have on hand for any and all occasions.

Immediately refreshing, we think you'll particularly appreciate the screw cap enclosure (a first for EK) which only expedites the process of getting it from fridge to glass!
