Bodegas Rezabal

Getariako Txakolina Rosé

Basque Country, Spain

Wine Notes

Aromatic, dry and slightly effervescent. It has delicate flavors of wild strawberries, bright acidity and great minerality.

Bodegas Rezabal

Rezabal is a family owned winery located in the Basque country of Spain in Zarautz and belonging to PDO "Getariako Txakolina". The winery features the latest technology, using most traditional methods. The tradition of centuries preserves the characteristics of the Txakoli, and the technology is serving quality. With a vineyard of 22 hectares planted in a traditional high trellis system, there are two native varieties that define Rezabal Txakoli: Hondarribi-Zuri and Hondarribi-beltza. Hondarribi Beltza is a red varietal used for the Txakoli rose, best describe as light, velvety and delicate. Hondarribi Zuri, a white grape variety, displays very bright, refreshing and fruity aromas. Both varieties benefit from the sea breezes blowing in the vineyards daily, bringing great freshness, salinity and acidity to those wines. Naturally fizzy, it is traditionally served poured from a height into the glass.

Farming:

Sustainable farming

Harvest Method:

Hand harvested

Varietal:

80% Hondarrabi-Beltza
20% Hondarrabi-Zuri

Age of Vineyard:

Planted in 1995

Vessel:

Stainless steel vats

Vineyard Yield:

70 hl/ha

Soil Type:

Sandy soil with clay

Annual Production:

30,000 bottles

Vinification:

After hand harvesting, the must ferments in refrigerated stainless steel tanks using indigenous yeasts. Towards the end of alcoholic fermentation, the tanks are closed to preserve the natural carbonation from fermentation. The tanks are then kept chilled to near freezing before bottling, which preserves the wine's delicate, effervescent character.
