Cesca Vicent

Cabaler

Priorat, Spain

Wine Notes

Bright gold in color with aromas of lemon, fruit blossom and fresh almond. Mouthfilling and rich on the palate with a bright freshness on the finish.

Cesca Vicent

Cesca Vicent is a unique property located in the heart of Priorat, in the town of Gratallops. It is owned and ran by Francesca Vicent (better known as Cesca), a fifth generation producer. Her family has been farming grapes in this area since the 16th century, she has a little of 'street cred' in the area! After inheriting this plot of land, she began researching her soil diversity. Once she was equipped with a detailed soil map of her 13.2 hectares illustrating Licorella and its 10 other different soils types, Cesca became determined to make wines that show the incredible diversity of her vineyard. She has been practicing organic since 1999 and became certified in 2011, striving to make a wine as natural as possible and dedicated to the production of terroir driven wines.

Farming:

Certified organic

Harvest Method:

Hand harvest

Varietal:

50% White grenache
50% Macabeu

Age of Vineyard:

Planted in 1990

Vessel:

Stainless steel, oak
and chestnut barrels

Vineyard Yield:

4 hl/ ha

Soil Type:

Licorella (Slate)

Annual Production:

1,600 bottles

Vinification:

Stainless steel fermented - Natural fermentation (native yeast). Halfway through fermentation, 2/3 of the wine is moved to french oak and chestnut barrels where the fermentation continues with the lees. Light filtration.
