Château Gaillard

Alice, Fleurie

Beaujolais, France

Wine Notes

Fleuri is located at the center of the ten Beaujolais Cru, on the Western side of the Beaujolais hills, allowing the vineyards to benefit from warm morning sunshine during growing season. The wine is silky, supple with delicate floral aromas, and bright aromas of blueberry and red fruits. Tannins are delicate and integrated.

Château Gaillard

Château Gaillard is a family owned estate of 12 hectares, located in Ville-Morgon. The winery date back from 1897. Château Gaillard offers a range of Crus of Beaujolais from Morgon, Fleurie, Moulin a Vent, as well as Beaujolais Villages. The know-how has been passed on for 5 generations and Sebastien Gutty is now running the family winery. Making wines with estate fruits only, Sebastien is very respectful of his environment practicing organic farming, and is now certified HVE. Grapes are harvested manually and careful selection is done in the vineyards and in the cellar. Sebastien only uses indigenous yeasts during fermentation to make wines with strong sense of origin.

Farming:

Certified HVE (High Environmental Value)

Harvest Method:

Hand harvest

Varietal:

Gamay noir à jus blanc

Age of Vineyard:

Planted in 1930 and 1970

Vessel:

Foudre (50hl)

Vineyard Yield:

35 hl/ha

Soil Type:

Sandy soil

Annual Production:

10.000 bottles

Vinification:

Whole Bunch carbonic maceration for 10 days. Cold fermentation 18°C. Pneumatic press for gentle extraction of fruit and fine tannins. Alcoholic fermentation finishes in foudre of 50hl followed by malolactic fermentation.
