

2021 Redolent Wine

This Must Be The Place Pinot Noir

VINIFICATION

Grapes were hand-picked and brought directly to the winery in 1/2 ton totes in perfect condition. The wine undergoes native yeast fermentation and then is racked into neutral French oak barrels for a 16 month élevage. Bottled un

2021 VINTAGE DESCRIPTION

2021 was a great year for grape-growing in the Paci April and May were full of sunshine, with enough rain to support vine growth. Bud break occurred without any issues, and the majority of "heat dome" of late June, which prevented the vines from experiencing any undue stress. Grape fruit set was very small, with tiny berries, thus overall yields are low yet again. The summer was quite dry but not too hot after the "heat dome", so there was no disease pressure, great ripeness, good acidity, and delicious predominantly in September. The overall production of 2021 wines will be lower than normal, but the quality of these wines is wonderful.

AROMA & FLAVORS

Aromas of raspberries, wild strawberries, a hint of grassy meadow, and a subtle spice note of cinnamon sticks and nutmeg. On the palate, it is a vibrant and elegant wine, with cranberry, and a touch of chai and saffras, balanced by subtle earthy and thyme undertones. It's a graceful, delicate, and savory beauty yet again.

HARVEST – September 10, 2021

PRODUCTION – 96 Cases

RELEASE DATE – March 2023

VARIETAL COMPOSITION – 100% Pinot Noir

VINEYARDS – Pelos Sanberg Vineyard

AVA – Eola-Amity
